

## **PHILANTHROPY IN/SIGHT HUMAN RIGHTS LAUNCHING OUR INTERACTIVE MAP OF GLOBAL HUMAN RIGHTS FUNDING**

**Webinar, July 11, 2012**

**Organized by IHRFG and the Foundation Center**

### **BIOGRAPHIES OF SPEAKERS**

**Dave Clark**  
**Product Manager, *Philanthropy In/Sight***  
**The Foundation Center**

Dave Clark is product manager of *Philanthropy In/Sight*, the Foundation Center's data visualization platform for global philanthropy. As product manager, Dave is responsible for the day-to-day oversight of all aspects of this online resource, including product development and training. Prior to managing *Philanthropy In/Sight*, Dave was the Foundation Center's manager of online subscription services, responsible for products such as *Foundation Directory Online*, and was the editor of the Center's *National Directory of Corporate Giving*. Dave has been with the Foundation Center for 14 years.

**Christen Dobson**  
**Program Coordinator, Policy and Research**  
**International Human Rights Funders Group**

Before joining IHRFG, Christen was a consultant with the Social Science Research Council's Gender and Security program. Christen has also worked with UN Women's East and Southeast Asia office, Safe Horizon's Anti-Trafficking Program, Global Youth Connect and The Project to End Human Trafficking. She has volunteered with Cambodian NGO Khemara and the U.S. National Committee for UN Women. Christen holds a BA in International Studies and Japanese from Mount Union College and a Master's of International Affairs with a concentration in human rights from the School of International and Public Affairs at Columbia University in New York.
